Explanations and definitions:

- ✓ The ultimate and final decision on the assigned category lies with Wallter.
- ✓ The criteria indicated above to determine the category apply in most cases, but not always.
- ✓ **EEA** - European Economic Area. A list of countries that are members of the EEA is provided below.
- ✓ To be considered an EEA-based company, the following requirements must all be met:

 - The Ultimate Beneficiary Owner (UBO), director(s), and shareholder(s) each have a passport issued by an EEA member country.
